

OTACO GmbH

**Hyundai Electric – Industrial Electrical Solutions for
Germany**

Global Leader
Global Electric

HYUNDAI ELECTRIC

Industrial Electrical Solutions for Germany

- ✓ High Quality & Reliable Performance
- ✓ Wide Product Range
- ✓ Competitive Prices
- ✓ Fast Delivery from Germany
- ✓ Technical Support & Project Solutions

Official Hyundai Electric
Distributor in Germany

Fast Delivery
from Germany

Technical Support
& Project Consultation

Genuine Products
& Reliable Quality

OUR MAIN PRODUCTS – ALWAYS IN STOCK

MCCB Molded Case Circuit Breakers	MCB Miniature Circuit Breakers	CONTACTORS AC Contactors	THERMAL OVERLOAD RELAYS (کلید حرارتی)	CAPACITOR CONTACTORS (کنتاکتور خازنی)	BUSBAR (بی می تال)
<ul style="list-style-type: none"> • High breaking capacity • Thermal & Magnetic protection • Various frame sizes and ratings <p>Applications: Power distribution, industrial panels, motor protection</p>	<ul style="list-style-type: none"> • Short circuit protection • Overload protection • B, C, D curve • 1P, 2P, 3P, 4P <p>Applications: Lighting, distribution boards, control panels</p>	<ul style="list-style-type: none"> • High electrical life • Reliable performance • Wide range of applications <p>Applications: Motor control, industrial automation, switching applications</p>	<ul style="list-style-type: none"> • Overload protection • Phase failure protection • Manual & automatic reset <p>Applications: Motor protection, overload protection in control circuits</p>	<ul style="list-style-type: none"> • Specially designed for capacitor switching • High endurance • Reduce inrush current <p>Applications: Power factor correction panels, capacitor bank switching</p>	<ul style="list-style-type: none"> • High conductivity • Insulated & uninsulated • Safe & reliable power distribution <p>Applications: Power distribution systems, switchboards, control panels</p>

ABOUT OTACO GMBH

OTACO GmbH supplies industrial electrical products for switchgear, power distribution and machinery applications. Our goal is to provide high quality Hyundai Electric products with reliable service, competitive prices and fast delivery from Germany.

- 🏠 Low voltage protection & control components
- 🏢 Complete range for industrial & commercial projects
- 🔧 Technical support & customer satisfaction
- 🤝 Long-term partnership & trust

WHY CHOOSE US?

- ✓ Original Hyundai Electric products
- ✓ Ready stock in Germany
- ✓ Fast response & quotation
- ✓ Professional technical support
- ✓ Competitive prices for projects and resellers

OTACO GmbH – Your Reliable Partner for Hyundai Electric Products in Germany

OTACO GmbH supplies Hyundai Electric industrial products across Germany. We provide fast quotation, technical support and reliable delivery from local stock.

About OTACO GmbH

OTACO GmbH is a supplier and distributor of Hyundai Electric low-voltage products in Germany. We support industrial customers, panel builders and automation companies with reliable electrical solutions.

Main Products	MCCB, MCB, Contactors, Thermal Overload Relays, Capacitor Contactors, Bimetallic
Applications	Power distribution, industrial automation, motor control, switchboards
Support	Technical consultation, datasheets and fast quotation
Location	Saarbrücken, Germany

MCCB – Molded Case Circuit Breakers

High breaking capacity circuit breakers for industrial protection and power distribution systems.

Feature	Description
Quality	Original Hyundai Electric products
Availability	Ready stock in Germany
Support	Technical support and quotation available

MCB – Miniature Circuit Breakers

Reliable branch circuit protection for commercial and industrial applications.

Feature	Description
Quality	Original Hyundai Electric products
Availability	Ready stock in Germany
Support	Technical support and quotation available

Power Contactors

Industrial AC contactors for motor control and switching applications.

Feature	Description
Quality	Original Hyundai Electric products
Availability	Ready stock in Germany
Support	Technical support and quotation available

Thermal Overload Relays

Motor protection relays designed for overload and phase failure protection.

Feature	Description
Quality	Original Hyundai Electric products
Availability	Ready stock in Germany
Support	Technical support and quotation available

Capacitor Contactors

Special contactors designed for capacitor bank switching and power factor correction.

Feature	Description
Quality	Original Hyundai Electric products
Availability	Ready stock in Germany
Support	Technical support and quotation available

Bimetal Relays

Reliable thermal protection relays for industrial motor applications.

Feature	Description
Quality	Original Hyundai Electric products
Availability	Ready stock in Germany
Support	Technical support and quotation available
